BRIEF ABSTRACT OF LETTER.

States that it is proposed to impose a duty of Rs 3/- per seer of 80 tolas of bhang imported into the Cantonment Station and requests to be informed whether the Durbar are prepared to sanction the levy of a similar duty on this drug in the Bangalore City and other parts of the State.

NOTES AND ORDERS.

1. The only drug prepared out of ganja which is now commonly sold in ganja shops is majum, the demand for which is restricted to the Districts of Bangalore, Kolar & Shimoga. This is manufactured and supplied to

the Sale by the Contractors to Govt. appointed for the purpose.

2. But Bhang is not sold separately in ganja shops as such; apparently the purchasers of ganja prepare this for themselves. Though there is a provision in the ganja rules to levy a duty of Rs 1-8-0 for all the preparations of ganja except kalka, yet from the Excise Admn Report & from the notifn for the sale of Excise privileges it is seen that the rates of duty are fixed only for ganja & Majum.

SIR,

SR 112-1005. R.

I am directed to invite a reference to the correspondence ending with this office endorsement No. 1218, dated the 24th February 1911, regarding the imposition of a duty of Rs. 7-8-0 per seer of ganja imported into the Civil and Military Station of Bangalore, with effect from the 1st April 1911.

2. No duty has hitherto been imposed on either charas or bhang, as these drugs have not been imported into the Station for want of appreciable demand for them from the public. Since there has, of late, been some demand for bhang, it has been proposed to impose a duty of Rs. 3/- per seer (of 80 tolas) on this drug, which is the rate in force in the Madras Presidency.

In the circumstances, the Resident will be glad to be informed whether the Durbar are prepared to sanction the levy of a like duty on bhang in the Bangalore City & in other parts of the Mysore State.
